Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for being accurate. If more space is needed, attach a separate sheet to this form. Include the line number to which the additional information applies. On the top of any additional pages, write your name and case number (if known).

Additional pages, write your name and case number (if known).

Part 1: Calculate Your Average Monthly Income

1. What is your marital and filing status? Check one only.

Not married. Fill out Column A, lines 2-11.■ Married. Fill out both Columns A and B. lines 2-11.

Fill in the average monthly income that you received from all sources, derived during the 6 full months before you file this bankruptcy case. 11 U.S.C. § 101(10A). For example, if you are filing on September 15, the 6-month period would be March 1 through August 31. If the amount of your monthly income varied during the 6 months, add the income for all 6 months and divide the total by 6. Fill in the result. Do not include any income amount more than once. For example, if both spouses own the same rental property, but the income from that property in one column only. If you have nothing to report for any line, write \$0 in the space.
